This shoot is being held in memory of our friend Kyle Nardinger. Kyle was killed July 9th, 2009 by a dead fall branch while setting up for a club 3-D event. He was 29 years old at the time of the event. He was a Traditional Only Bowhunter and Archer from 8 years old and on. He built his own bows, arrows, strings, fletchings, etc.. He shared his passion of the flight of the arrow with all of those around him and was a strong mentor to the youth in our club.

Please join us for a good cause... Thank You.
